THIRD INFORMATION DISCLOSURE STATEMENT

Sir:

The above-identified U.S. patent issued on September 26, 2006 and is based on an application that corresponds to European Patent Appl. No. 02 807 764.2. A Search Report was issued by the European Patent Office on July 11, 2007, and a copy of the Search Report is attached. The European Searcher cited two European references. Each of the references was considered by the European Searcher to be a Category A document. Hence, each reference was considered to relate merely to the technological background. Neither of the references was considered to be particularly relevant to the invention claimed in the European application. Each of the European references cited in the European Search Report has a U.S. equivalent. The U.S. equivalent of EP 0 710 932 is U.S. Patent No. 5,722,882 and already was cited in the prosecution of the application that lead to the above-captioned U.S. Patent No. 7,112,130. The other European reference corresponds to U.S. Patent No. 5,989,118 and was not previously made of record.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to:

Commissioner for Patents

This Third Information Disclosure Statement includes a copy of Form PTO-1449 that identifies the two European references cited in the European Search Report and the U.S. equivalent of EP 0 831 429. As noted by the European Searcher, these references are believed to be of only peripheral interest. Please place this Third Information Disclosure Statement in the official file.

Respectfully submitted,

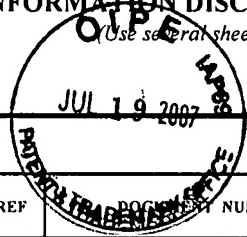

A handwritten signature in black ink, appearing to read "Gerald E. Hespos", is written over the typed name.
